Dear Friends,

Thank you for your support of ShelterBox Canada. A ShelterBox can often mean the difference between life and death for families when they need it most. Your donation of \$2,400.00 makes it possible to bring hope to families around the world.

We are pleased to provide you with the box number(s) for the ShelterBox you sponsored: **Box(s) 11738, 11739**

ShelterBox is working tirelessly to help those affected by the recent earthquakes in Nepal and has already provided shelter to over 15,000 families. Nepal is one of many locations around the world where ShelterBox aid is stored and ready-to-deploy, enabling us to help the most vulnerable families without delay.

Your donation will provide shelter, warmth and dignity to a family who has lost everything. If the donations we raise exceed the need for aid in Nepal, your gift will help to deliver life-saving aid as quickly as possible wherever disaster strikes next.

To track the destination of your box, please go to www.shelterboxcanada.org and click on the "Track your Box" link. In the "Get Tracking" section, search by Box Number and select country code Canada. Then enter your box number as it appears above. When your box has been deployed, details about its destination will appear.

We can never predict when the next disaster will occur, but your generous gift helps to ensure that ShelterBox is ready to respond quickly to help families in their greatest time of need.

Kind Regards,
