

## To The Rotary Club of Kelowna Okanagan Mission

The Rotary District 5060 Conference is scheduled for May 12-15, 2016 in Yakima, Washington State. The annual conference is a wonderful time to enjoy some Rotary fellowship, learn more about Rotary and to be inspired. Please attend and encourage each other to attend and enjoy the excitement and learning Rick King recently gave an inspiring presentation to PEs at PETS. Ask your PE about that. It may give you some ideas about how you can better be encouraged to participate in the conference.

Information can be found at [rotary5060.org](http://rotary5060.org), then menu option Conference.

The Registration form can be accessed at [conference2016.rotary5060.org](http://conference2016.rotary5060.org)

Attached is a hard copy pdf of the online registration form which provides a detailed list of the fees for different events.

The form lists the fee in Canadian dollars and then in US dollars. The US dollar fee is what you will see when you logon to the actual registration site. Since the registration system can only accept one type of currency for a given meeting we are accepting payment from Canadians as though \$1 Canadian was equal to \$1 USD.

So, for example, the fee for the full conference is \$195 CAD. For Canadians this is approximately equivalent to \$138 USD which is what a Canadian Rotarian will see as the fee in USD on the online registration form. Payment must be made in USD. The full conference fee of \$195 Canadian is less than the \$225 Canadian fee that was charged in Kelowna. A real bargain!

For members who are computer unaware and cannot register themselves online, the PDF may be printed, completed by the member, then entered online by a more computer literate member. Once the registration is entered online, the registrant will get a link via email that will take them directly to the payment page of the online registration form so they can pay online with their credit card by entering their demographic info, card number, expiration date and security code. The PDF may be scanned and sent as hardcopy to [monick.d@gmail.com](mailto:monick.d@gmail.com). Written credit card numbers cannot be accepted for security reasons so a completed hardcopy registration must be accompanied with a cheque in USD to Sue Price-Scott as noted on the registration form.

Within the next few days, all club members will receive a surface mail to their home address with information for them and their spouse about the conference.

Duane Monick Conference Chair
